Chapter 6 by Luke Meyers

Of course, the story isn't really any shorter, because we still have to go a full eight chapters.

Um... okay, let's add some aliens. So now there were aliens coming to Utopia and everyone was like "oh man is this cause of the bracelet again" but it wasn't, there were just aliens that's all.

But did the aliens turn out to be nice?

Chapter 7 by intellikat

Yes! As a matter of fact, they were the sweetest aliens one could ever imagine. Except for one thing. They were best friends with some giant, talking snakes. And there was only one thing the talking snakes wanted: that doggone bracelet! They demanded the monster friends hand it over to them.

And do you know what the monsters did?

Chapter 8 by intellikat

They gave it to them!
